

QUALITY POLICY STATEMENT

VitrineAlu Limited is committed to the principles of Quality Assurance to maintain the highest quality of service to our customers.

In pursuit of this aim, the company has developed a Quality System to comply with the requirements of EN 14351 for PVCu and Aluminium Window & Door Systems & BS EN 13830 for Curtain Walling Systems.

Compliance with the Quality System policies and procedures is mandatory for all personnel since it is only by strict adherence to these controls that consistent standards of product and service quality can be maintained.

The Company is committed to a structured corrective action policy to ensure that the Quality System is improved in response to the demands of our customers and those of our management requirements.

It is therefore the responsibility of all personnel to examine their areas of the Quality System in the endeavour to identify and initiate improvements.

The Directors commend this Quality Policy statement to all employees of VitrineAlu Limited and look forward to extending our reputation for quality and service.
